Aftermarket RGA and Returns Policy

Customer must obtain a written authorization (RGA number) from Wexco prior to returning goods. All parts must be returned to Wexco, freight pre-paid. When requesting an RGA, customer will include a listing of all parts to be returned and a description/ reason for return for each part. For warranty claims, returned parts are to be identified or tagged so as to be matched with the appropriate RGA. Buyer shall be responsible for all damage to returned parts resulting from improper packing or handling. No returns will be accepted without an RGA.
